

Welcome to SilverScript (PDP)

Confirming Your Membership

SilverScript will send a confirmation letter to let you know we received your completed enrollment application. If Medicare approves your application, we will send you your SilverScript Member ID card.

Proof of Membership

If you need to fill a prescription before your SilverScript Member ID card arrives, you may use either your SilverScript enrollment confirmation letter (or confirmation number), or a temporary Member ID card as proof of your SilverScript enrollment.

Temporary SilverScript Member ID Card

- Print this document which includes your card and fill in the blanks by writing your name and Member ID. This information can be found at the top of your Confirmation Letter.
- For your convenience, cut and fold your temporary Member ID card. It is now ready to use.
- Present your temporary Member ID card at the pharmacy or use the information on your card if you use CVS/caremark Mail Service Pharmacy.

Locating a Pharmacy that Welcomes Your SilverScript Coverage

There are two easy ways to find any pharmacy in your plan's nationwide pharmacy network:

1. Visit our website at silverscript.com and click on Pharmacy Locator.
2. Call SilverScript Customer Care toll free at 1-866-235-5660, 24 hours a day, 7 days a week. TTY users call 711.

Always use a pharmacy that participates in your plan's nationwide pharmacy network

If you use an out-of-network pharmacy due to an emergency, you may request reimbursement from SilverScript for your cost-sharing amount. Reimbursement depends on our review of your request.

Caution: If you purchase prescription drugs using your SilverScript Member ID card before the date your SilverScript benefits take effect, or if Medicare does not approve your application, we may send you a bill for the amount we paid for any prescriptions you received. For more information, call SilverScript Customer Care at the toll-free number shown above.
